Tauwhao Te Ngare Trust is an Ahuwhenua Maori Trust established from amalgamated land blocks on Rangiwaea Island. The Trust owns and manages business interests and utilizes the land as an economic base for its shareholders through housing, horticulture, agriculture and forestry.

With a sustained distribution of profits and a proven history of education and community grants, the Trust runs a profitable business entity and asset base. Their future focus is on expansion of their horticultural activities and diversifying into other economic areas, such as aquaculture and agriculture and developing new business partnerships and investment opportunities in commercial and industrial property.

A new position has become available for a General Manager to strategically lead operations into the next phase of their plan. The General Manager will be reporting to the Board of Trustees and working closely with the Trustee Accountant, Orchard Manager and Office Manager, to manage and develop staff and contractors, along with quality systems, processes, performance and profitability.

They will also be responsible for researching and identifying opportunities for developing the land and diversification into new ventures along with the compliance and implementation of all financial, legal and health and safety

requirements for the Kiwifruit and Avocado Orchards, Forestry operations, the Papa Kainga (housing), the Barge and other vessels.

A suitable Applicant for this role ideally has:

- A Bachelor's Degree, or similar level of qualification.
- 10 years senior management experience in Horticulture or Forestry
- Experience with Maori Trusts, Marae organisations, or similar.
- A high level of business acumen and experience in planning and implementing at a strategic, financial and business operations level.
- Ability to manage a diverse operation and the Trust's key objectives.
- Analytical reporting skills for expenditures, trends and forecasts.
- Knowledge and understanding of Health and Safety requirements.
- Excellent interpersonal communication skills and ability to maintain professional, effective and pleasant relationships with employees, contractors, stakeholders and the Trust.
- Initiative, integrity, diplomacy, empathy and adaptability.

This role can be fully based on Rangiwaia Island, with accommodation provided, or it could suit someone who is flexible to work the 32 hours part-time from home in the Tauranga region and part-time on the island, as boat transportation is available to commute a few times a week.
